Dear Jennifer and Clifford,

On behalf of the Board of Directors at Tower Cancer Research Foundation, we would like to thank you for your generous contribution of \$410.00 on 12/11/2017, in support of Shut Out Cancer and the Lauren J Melnick fund.

It is only through contributions from supporters like you that we are able to expand our commitment to provide innovative research, community education, and caring patient support while developing more effective treatments for cancer and blood disorders.

We look forward to continuing to work together in support of cancer survivors and their families. To learn more about our efforts and how you can join the fight against cancer, please visit our website at www.towercancer.org or find us on Facebook.

Sincerely,

Linda David
Executive Director
