Dear Ms, David,

I am very proud to report on the success of our Shut Out Cancer initiative. As you know, the hockey goalies within the Hudson Valley area of New York have joined forces to raise money in memory of Lauren J. Melnick, my Aunt who left us way too soon. The goalies (and a few non-goalies) have each donated \$10 for a custom decal that they will wear on their helmets this season. Additionally, \$25 will be donated by The Charles Hertzog Foundation for each shut out earned during the season.

This season, my fellow goalies worked hard to raise as much money as possible to once and for all "Shut Out Cancer". The initial funds raised and sent to your attention was \$550. I am enclosing an additional \$650 from the Charles Hertzog Foundation, who generously agreed to underwrite each shut out. **All funds raised shall benefit the Desserts by Lauren Fund, a subsidiary of Tower Cancer Research Fund.**
